Dear Parents of Brookes Moscow &amp; Saint Petersburg,

**RE: Update from the Director**

I hope that you are all keeping well, and that you will enjoy the long weekend break ahead of us. With the recent cold and heavy snow falls, I think we all deserve a break. I am writing today, just to share a few matters with you and for your information.

I have spent the week in Saint Petersburg, and the highlight for me was the well prepared Personal Projects that the Year 11's displayed to the parent and student community this week. These were outstanding and highlighted the level of thought and care that had gone into their creation and publication. Well done to our year 11's - this work will have stood you in good stead in preparation for the Diploma Programme next year.

Last time I wrote, I mentioned our boarding house development. I am pleased to include here a [LINK](#) which is a survey guiding us to the students needs and the likelihood of using the boarding house when it opens in September 2021. I would be grateful if you are interested, for you to complete the form as soon as possible.

Our term dates for 2021/22 have now been finalised. Please find these on our website as from today.

I wish you a very enjoyable long weekend and I look forward to seeing the children back in school on Wednesday 24th February.

I will leave you with a wonderful example of our young children (our superheroes) in their swimming lessons this week - [CLICK HERE TO PLAY](#).

My very best wishes,
